

Milan High School

Summer 2009 Acceleration Course Offerings

Summer Acceleration allows Milan Students an opportunity to advance to a higher curricular area. While it does not offer credit to students, it does allow them to accelerate into a new level. Cost of the class is \$110 and these class sections will be offered if enrollment permits. If you have concerns about attendance or dates, please contact Mr. Rodan, but arrangements generally can be made. All classes meet at MHS. Math will be in room B107. English will be in B111.

English 9 Acceleration Experience-two sessions

Morning Session: 8 a.m. to 11 a.m.--PREFERRED SESSION

Afternoon Session: Noon to 3 p.m.

Monday through Thursday during the weeks of June 15th, June 22nd, and June 29th. There will be a reading selection and assignment that must be completed by June 9th that will be distributed in May. If you are not a Milan student, please contact Mr. Rodan, otherwise the teacher will be visiting Milan Middle School during the month of May. Classes will end on July 2nd.

Math Accelerated Experiences-two sessions

Geometry Session: 8 a.m. to 11 a.m.

Algebra Session: Noon to 3 p.m.

Monday through Thursday during the weeks of June 15th, June 22nd, and June 29th. (Will end on to July 2nd)

To sign up, please complete the following information and send the form with payment to:

Milan High School, c/o Mark Rodan
200 Big Red Drive
Milan, MI 48160
