## February Flew By!

It's hard to believe how quickly February went by! We have had so much fun learning about Nursery Rhymes, forms of Transportation, Valentine's Day, the Groundhog story and ways to maintain Healthy Teeth.

The Valentine's Day party was a huge success! Thank you to everyone that helped make the day special for the children. We spent the rest of the week working on a class project together. We made a Friendship Quilt (of paper) that is currently displayed in the main hallway near the cafeteria.

 Last, but not least, a big thank you to Dr. Peacock from Milan Dental for visiting and sharing with the children some of his special tools and answering all their questions about Dental health.

## MARCH IS READING MONTH, COME CELEBRATE WITH US!

Through the month of March we will be celebrating many wonderful authors and their books. We encourage you to join us for a story by selecting a time and date (that you are available to come in and read) on the calendar that is provided near the sign-in area. As always, any visitor must be cleared through the school's ICHAT system prior to the date of visit. We look forward to listening to many wonderful stories!

To close out our love of reading month, I have arranged for our class to meet at Barnes and Nobles on March 31<sup>st</sup> for an afternoon of literacy fun! Additional information to follow. In the meantime, Save the Date!
