

Celebrating Community Helpers

Dear Parents:

Next week, (Nov. 7th – Nov. 11th) both Salamander classrooms will be focusing on Community Helpers. Throughout the week we will have several special visitors come in and talk about their place in the community. If you have any questions or concerns you may call the classrooms at (734) 439-5108 or (734) 439-5107. We will try to return your call as soon as we are available.
