

## WHAT DOES YOUR CHILD NEED EACH DAY IN KINDERGARTEN?

Your child is not required to bring any school supplies to school, however, we are requesting the following items as a donation to help support learning this

school year. These supplies will be added to a class supply so that all students will have access to and be able to use these items. The only item that will be just for your child's use are water bottles, so please **be sure to label these with your child's full name.**

*We have asked for particular brands of some items as the quality and durability does make a difference in heavy classroom usage.*

If your family signed up for the Big Red Bundle, most of these items will be provided in the Big Red Bundle. You may choose to donate Big Red Bundle items to the classroom or keep them for at home use.

### ★ Supplies you may provide and/or donate:

- Crayons (24 pack Crayola)
- Small post-it notes, (3 x3 any color Post it brand)
- 1 pack of Washable Crayola Markers (8 or 10 count)
- 2 Black Papermate Flair Pens
- 4 black Expo dry erase markers (Black, bullet tip slim marker)
- Reusable water bottle with no spill top (**Label with child's full name**)
- 1-2 Kleenex boxes for the classroom supply
- Disinfectant Wipes
- Gallon Size Ziploc freezer bags
- Hand Sanitizer
- Mrs. Muir, our gym teacher, requests that each child have a plain white (**oversized**) t-shirt for gym class. These shirts are worn over their regular clothes during gym class. **We ask that the shirt be labeled with your child's first and last name in large letters, on the front and back of the shirt (in permanent ink).**
- Donations of clean white t-shirts (new or like new) for gym class are very appreciated! We ask that these shirts be children's size large or extra large.

Gratefully,

Paddock Kindergarten Teachers
