

WHAT DOES YOUR CHILD NEED EACH DAY IN YOUNG 5s?

Your child is not required to bring any school supplies to school, we are requesting the following items as a donation to help promote our in person learning this school year. When sending items into school, teachers will first fill your child's need for these supplies and then any "extra" supplies will be added to a class supply so that these can be used for any individual who does not have school supplies of their own. If your family signed up for the Big Red Bundle, most of these items will be provided in the Big Red Bundle (items denoted with an *).
