

Paddock Driveline

To accommodate more families, we will be utilizing the middle school parking lot during dismissal. Please enter at the **North Street** entrance of the middle school parking lot that will flow onto **Marvin Street** and into the Paddock parking lot.

For the safety of our students, staff and community stop on **Marvin Street at the Paddock parking lot apron** to wait for the driveline to begin.

Please do not pull alongside the building and block the fire lane.

Thank you for your **cooperation** and **patience!**
