 5. At the beginning of each school year, but no later than September 1st, each employee will fill out a card provided by the employer indicating his/her preference for overtime for the period of September 1st through August 31st. This card may be updated at other times than the above by the employee if a change in preference occurs. Employees who change their preference will be charged with the same number of overtime hours as the employee with the highest hours. The card will provide for the following two (2) choices:
 - (a) No overtime
 - (b) Any overtime

Employees selecting “(a) No Overtime” may be asked to work overtime when all other options have been exhausted.
 6. Employees who have expressed a preference for overtime and were absent for three months or more will upon return be charged with the average overtime hours of employees in his/her building and classification. 1. All job openings in the bargaining unit that are to be filled shall be posted at the office of the Superintendent, Supervisor of Building and Grounds, and in each building with a copy to the Union President for a period of ten (10) working days. Interested employees may apply in writing to the Superintendent or designee within ten (10) days of the first day of the posting period. Any employee interested in notification of any Union vacancies throughout the summer should turn in an email address to Central Office by the last day of each school year. Said postings shall include:
 - (a) Position/Classification
 - (b) Location of work
 - (c) Starting date
 - (d) Qualifications
 - (e) Responsibilities
 - (f) Hours to be worked
 - (g) Application Deadline
 - (h) Date of Posting
 2. Upon completion of an interview process and within fifteen (15) working days after the expiration of the posting period, the superintendent or designee shall make known the decision as to which applicant has been selected to fill the posted position. Exceptions to the fifteen (15) day period may be made by mutual agreement of the parties. The successful applicant shall be notified in writing with the copy provided to the Union. All applicants will be notified after the successful applicant has accepted the position.
 3. In filling vacancies, the Board will take into consideration ability, qualifications, and work record. Where these criteria are equal, the most senior employee applicant within the classification will fill the vacancy. If an internal applicant from another classification meets these criteria and there are no applicants from within the classification, preference will be given to the internal applicant over outside applicants. Paraprofessionals do not have the right to fill a vacancy for a position similar to a position that they were transferred from involuntarily.

B. Transfers

1. An exchange of assignments may take place with the agreement of the parties affected subject to the approval of the superintendent or designee. Such request must be in writing.
2. Between the first Monday of May and the Friday of that week, current twelve (12) month custodial and maintenance employees have the opportunity to express an interest through bidding for any position within their classification for which they meet the qualifications. Such bidding interest will be considered in order of seniority. Subject to the approval of the Supervisor of Buildings and Grounds, bargaining unit members will be assigned the positions for which they expressed an interest, and, except as provided elsewhere in this Agreement, such assignments shall be in effect for twelve (12) months after assuming their new assignment. Employees will assume their new positions the Monday that follows the last day of student instruction. Transfers because an employee assumes another position under this provision shall be exempt from the trial period set forth in 3 and 4 below. The parties recognize that involuntary transfers caused by employees assuming new positions under this provision are not prohibited by 5 below. This Section B. 2. is not subject to the Grievance Procedure as set forth in this Agreement. If a transfer under this section is denied, the employee shall have the right to appeal to the superintendent.
3. Voluntary transfers shall not become permanent until the employee has been on the job for thirty (30) working days.
4. If at any time before the voluntary transfer becomes permanent, the superintendent or designee determines that the employee is unable to demonstrate ability to perform the work required, the employee may be returned to his/her previous assignment. At any time before the voluntary transfer becomes permanent, the employee shall have the option of returning to his/her previous assignment.
5. The parties agree that involuntary transfers of employees are to be minimized and avoided whenever possible.
6. An employee filling a temporary vacancy and assuming a higher classification for more than five (5) days shall receive the rate of pay for those duties retroactively after the fifth day in that position. However, an employee's rate of pay shall not be reduced by a temporary change in duties.

C. Promotions

1. A promotion is defined as a change in position within a classification with an increase in the hourly rate of pay.
2. It will continue to be the policy of the employer to make classification promotions from within the classification. If qualified employees cannot be found within the classification, or if same will not accept the position, the employer may go outside the classification.
3. Promotions shall not become permanent until the employee has been on the job for thirty (30) working days.
4. If at any time before the promotion becomes permanent, the superintendent or designee determines that the employee is unable to demonstrate ability to perform the work required, the employee may be returned to his/her previous assignment. At any time before the promotion becomes permanent, the employee shall have the option of returning to his/her previous assignment.
5. The parties agree that involuntary transfers of employees are to be minimized and avoided whenever possible.
6. An employee filling a temporary vacancy and assuming a higher classification for more than five (5) days shall receive the rate of pay for those duties retroactively after the fifth day in that position. However, an employee's rate of pay shall not be reduced by a temporary change in duties.

- D. Long Term Substitutes: Long Term substitutes may be used to fill a vacancy in the following situations:
1. A long-term sub may be used to substitute for another employee who is on a leave of absence for six (6) months or less.
 2. A long-term sub may be used to work in a position that the district is not sure will continue to be permanent position. After 35 school days, a meeting will be held to discuss the continued use of the long-term substitute and when the position, if continued, will be permanently filled.
 3. A long-term sub may be used for filling the position of an employee on Workers Compensation Leave to fulfill the employee's rights to his/her position under the Workers Compensation Law.

E. Resignation

Any employee desiring to resign shall submit the resignation in writing to the superintendent or designee a minimum of two (2) weeks prior to the effective date of resignation.

ARTICLE 13: Seniority

- A. Each new employee in the bargaining unit shall be considered a probationary employee for the first sixty (60) working days as a regular employee. On completion of the probationary period, the employee shall be placed on the seniority list of the employee's classification, and his/her seniority shall start from the employee's first working day.
- B. Seniority shall be defined as the length of service within the employee's classification. Accumulation of seniority shall begin on the employee's first working day. In the event that more than one individual has the same starting date of work, position on the bargaining unit classification seniority list shall be determined by a lottery. See Article 21, A. 4.
- C. Custodial-Maintenance employees shall accumulate seniority on a pro-rata basis according to twelve (12) or ten (10) month employment status.
- D. The Board shall prepare and maintain the seniority list. Annual updates shall be furnished to the Union membership by October 15.
- E. Seniority shall be lost by an employee upon termination, resignation, or retirement. Bargaining unit members transferred or promoted to non-bargaining unit positions shall maintain previously earned seniority, but shall not accrue additional seniority while outside the bargaining unit.
- F. Employees who acquire seniority in one classification and subsequently move to another classification shall retain the seniority they acquired in the earlier classification for that classification.

ARTICLE 14: Reduction in Personnel, Layoff, and Recall

- A. Layoff shall be defined as a reduction in the work force.
- B. Except in unusual circumstances, no employee shall be laid off pursuant to a reduction in the work force unless said employee shall have been notified of said layoff in writing at least fifteen (15) business days prior to the effective date of the layoff.
- C. In the event of a reduction in the work force, the reduction procedure shall be applied within each classification as follows:
 1. Probationary employees shall be laid off first.

2. In the event senior employees must be laid off, layoff shall be on the basis of seniority.

 3. In the event an employee is laid off from within a classification, and no position is available to the employee within another classification in which the laid off employee has acquired seniority because of relative seniority in that classification, the laid off employee shall have the opportunity to make application for posted vacancies in classifications in which the employee has no seniority. Should the employee secure such a posted vacancy, he/she retains recall rights to his/her laid off job classification and any other classification in which the employee holds seniority.
- D. In the event of a reduction in the work force or a permanent reduction in the work hours of a position, the procedures regarding displacement rights described below shall apply. In no case shall a reduction in any employee's work hours take effect until the employer has given seventy-two (72) hours written notification to the affected employee.
1. Paraprofessionals
 - (a) Whenever a paraprofessional is being displaced the parties will meet as soon as possible to discuss the situation and will generally follow the guidelines below. At the meeting the number of hours of the position, qualifications, needs of the student, needs of the district, building assignment, and desires of the employee will be discussed.
 - (b) For the purposes of this section the following definitions will apply:
 - (1) Claim seniority – This means using one's seniority to take the position of another employee with less seniority.
 - (2) Hours – This means the number of hours worked per week.
 - (3) Equivalent – This means that the number of hours worked per week will be within five (5) hours between positions.
 - (c) Procedure
 - (1) The affected paraprofessional can claim seniority over one of the three (3) least senior positions in the district with equivalent or fewer hours if they are qualified for the position.
 - (2) Paraprofessionals in the School Age Child Care (Latchkey) Program can first claim seniority over the least senior employee in that program. If they are the least senior or have been displaced then (c) (1) applies.
 - (d) A change in the starting and ending times during the school day of an employee alone does not implement c. of this section. Every effort will be made to accommodate the employee's needs.
 2. Administrative Assistant and Clerical

In the event of a permanent reduction in work hours of a position or elimination of a position, the least senior administrative assistant/clerical employee shall have their work hours reduced or will be laid off. Each displaced employee can claim seniority over a less senior employee in the district.
 3. Custodial/Maintenance

In the event of a permanent reduction in work hours of a position or elimination of a position, the least senior custodial/maintenance employee shall have their work hours reduced or will be laid off. The District will then determine all of the remaining positions. After that determination, except for currently filled maintenance positions, all employees at a bid meeting will be able to choose a position based upon seniority.

- E. A laid-off employee shall, upon application, and at his/her option, be granted priority status on the substitute list according to his or her seniority and will be paid at the substitute rate. Laid-off employees may continue their insurance benefits by paying the regular monthly per-subscriber group rate premium for such benefits to the Board, subject to the rules and regulations of the carrier.
- F. Employees shall be recalled in inverse order of their lay-off within the classification from which they were laid off or, based upon seniority in another classification, to that classification.
- G. Notice to recall shall be sent by certified or registered mail to the last known address as shown on the Board's records. The recall notice shall state the time and date on which the employee is to report back to work. It shall be the employee's responsibility to keep the Board notified as to his or her current mailing address. A recalled employee shall be given at least five (5) calendar days from receipt of notice, excluding Saturdays and Sundays, to report to work. The Board may fill the position on a temporary basis until the recalled employee can report for work providing the employee reports within the five (5) day period.

Employees recalled to work for which they are qualified are obligated to take said work. An employee who declines recall to perform work for which he/she is qualified shall forfeit his or her seniority rights.
- H. Employees on layoff shall retain their seniority for purpose of recall for a period of two (2) years. Any employee on layoff for more than two (2) years shall forfeit his or her seniority and any further rights under this Agreement.
- I. Probationary employees have no recall rights.

ARTICLE 15: Evaluations

- A. **General Conditions**
 - 1. The parties recognize that evaluation is an ongoing process, and that each employee is subject to evaluation in the day-to-day performance of his or her duties.
 - 2. Forms for written evaluation shall be developed by the Board with input from the Union. Evaluations shall be in writing, and shall be performed at least annually.
 - 3. For purposes of written evaluation, employees shall be responsible to their immediate supervisor. This shall not be interpreted to diminish the responsibility of the employee to work with administrative and other personnel while on duty.
- B.
 - 1. Within thirty (30) calendar days following the completion of a written evaluation, and prior to the first Monday of May, the evaluator will meet with the employee to discuss the evaluation and any recommendations. The employee shall be entitled to have a Union Representative present upon request.
 - 2. If the evaluator believes the employee is doing unsatisfactory work, the reasons shall be set forth in specific terms. Included will be examples of specific things the employee should do to improve his or her job performance.
 - 3. The employee shall sign the evaluation at the time of review as acknowledgment of having received the evaluation, but not necessarily as agreement to its contents.
 - 4. If an employee does not agree to the contents of the written evaluation, the employee shall be entitled to attach a written statement to the evaluation. The attached statement will be retained with the evaluation in the employee's personnel file.
- C. Evaluations may be subject to the grievance procedure as set forth in this Agreement, but may not be submitted to arbitration.

ARTICLE 16: Work Duties and Compensation

- A. Classifications shall be set forth in Appendix A.
- B. The basic compensation of each employee shall be as set forth in Appendix B. There shall be no deviation from said compensation rates during the life of this Agreement.
- C. The following conditions shall apply to all overtime work:
1. Time and one-half will be paid for all hours worked over forty (40) hours in one week.
 2. Double time will be paid for hours worked on Holidays and Sundays.
 3. Paid leave shall count toward hours worked.
 4. Compensatory time off (provided in accordance with Article 16.C.1 or 16.C.2) may be given instead of overtime if mutually agreeable to the employee and approved by the superintendent or designee.
- D. Reasonable assistance will be provided to custodians to set up for varsity boy's basketball games.
- E. Terminal leave pay, through a payroll lump sum payout, will be granted to an employee who leaves the system with ten (10) or more years of employment for each unused day of sick leave up to the maximum allowable sick leave accumulation limit, and at the percentage of the employee's daily rate of pay specified below.
1. Custodial Maintenance: 75% of the employee's daily rate of pay to a maximum of \$5500.
 2. Administrative Assistant-Clerical: 75% of the employee's daily rate of pay to a maximum of \$7500.
 3. Paraprofessionals: 75% of employee's daily rate of pay to a maximum of \$4750.
- F. Ten-month employees may, on an annual basis prior to issuance of the first paycheck in September, elect to receive their pay for the year spread over 12 months, rather than 10 months.

ARTICLE 17: Retirement

Vacations for the first year after such movement into twelve-month employment shall be at hours previously worked, not at the hours worked in the new position. Example: a six-hour school-term employee moving into twelve month eight hour employment would, for his/her first year of vacation eligibility, receive vacation at a six hour per day rate.
4. Said vacation time may be used at times other than the summer months, when school is not in session. This decision will not be subject to the grievance procedure. When more than one employee requests the same vacation date(s) and work scheduling demands reasonably prohibit all requesting employees from being absent at the requested times, the affected employee having the greatest seniority shall be granted his/her preferred vacation date(s), provided that the request for vacation has been made at least one (1) month in advance of the vacation date.

Vacations for the first year after such movement into twelve-month employment shall be at hours previously worked, not at the hours worked in the new position. Example: a six-hour school-term employee moving into twelve month eight hour employment would, for his/her first year of vacation eligibility, receive vacation at a six hour per day rate.
3. Said vacation time may be used at times other than the summer months, when school is not in session. Requests may be made to the immediate supervisor for use of vacation time when school is in session. The decision of the Superintendent to grant or not grant the request will be final. This decision will not be subject to the grievance procedure. When more than one employee requests the same vacation date(s) and work scheduling demands reasonably prohibit all requesting employees from being absent at the requested times, the affected employee having the greatest seniority shall be granted his/her preferred vacation date(s), provided that the request for vacation has been made at least one (1) month in advance of the vacation date.

4. Holidays occurring during a vacation period shall not be charged against the vacation allowance.
5. Twelve-month employees working less than eight (8) hours per day shall accumulate vacation time and shall be paid for their vacation days at their daily rate.
6. Vacation pay of an employee is based on the regular rate of pay, excluding overtime pay.
7. All vacation must be used within one (1) calendar year from the time the vacation time is credited. Employees will be credited with vacation time on July 1 of each year. If the employer requires the employee to work and the employee cannot use all of their earned vacation time, then the employer has the option to allow the earned vacation time to be carried over into the next fiscal year or pay the employee for those days. The employer may not require an employee to carryover any unused earned vacation time two (2) consecutive years.
8. Employees may request to carryover unused vacation time through their immediate supervisor. Request must be made prior to June 30th of the year. The request is subject to the approval of the superintendent. An employee may not carryover unused vacation time more than two (2) years.

ARTICLE 20: Paid Leaves

A. General Conditions

1. Using the district's web-based attendance system, the Board shall furnish each employee annually with notification setting forth his or her total sick leave credit.
2. An employee who is unable to work because of personal illness or disability shall upon application be granted a leave of absence without pay for up to one year. The leave of absence may be extended at the discretion of the Board for up to one year upon written request by the employee. The employee may use all or any portion of his or her accumulated sick leave prior to going on unpaid leave of absence at his or her discretion. Return from unpaid leave under this provision will be in accordance with Article 21, A. 3.
3. For work-related injuries, the employee shall receive full pay with no sick leave deduction until the employee has met eligibility requirements for Worker's Compensation. With receipt of Worker's Compensation benefits, and at the employee's request, the employee will receive the difference between that benefit and the employee's daily rate of pay provided the employee verifies the amount of their Worker's Compensation payment and any subsequent changes in that payment. The employee's accumulated sick leave will be adjusted accordingly on a pro-rata basis. An employee whose Worker's Compensation injury extends beyond their sick leave accumulation will be placed on a Worker's Compensation leave, without additional pay from the district.
4. In case of an employee's death, any unused sick leave shall be paid in a lump sum to the survivor named by the employee. Such payment shall be subject to the terms and computed according to the method specified in Article 16, Section E.
5. A day is defined as the length of the employee's regularly scheduled workday. When an employee's hours are increased or decreased, the accumulation will be prorated. Accumulated sick leave for employees hired prior to July 1, 1996 currently working four (4) hours or more per day is not subject to proration.
6. Employer payment of insurance premiums will cease to be paid for eligible employees beginning with the month that follows exhaustion of the employee's sick leave accumulation and any eligible insurance premiums paid under the Family and Medical Leave Act. Employees wishing to maintain their coverage will assume responsibility for the payment of premiums.
7. Newly hired employees shall receive sick leave benefits at one (1) day per month until the conclusion of their probationary period, at which time they shall be credited with the balance of their annual sick leave allowance.
8. Except in A-3 above, sick leave will be charged in increments of one-half (1/2) day.
9. Any paraprofessional, hired prior to the first Monday in October, who is absent from work three (3) or fewer days in the school year (either sick, personal business leave, unpaid days, or any combination thereof – excluding bereavement days), will receive a \$300 attendance bonus payable on the last pay period of June.

B. Illness and Disability

1. Paraprofessionals, ten (10) month administrative assistants and clerical, and school term custodial/maintenance employees shall receive sick leave equal to one (1) day per month accumulative to ten (10) days per year, credited at the beginning of each school year. Twelve (12) month employees shall be given sick leave equal to one (1) day per month accumulative to twelve (12) days per year credited at the beginning of each school year (except for probationary employees as per A. 7., above). Sick leave days may be taken by an employee for the following reasons and subject to the following conditions:
 - (a) The employee may use all or any portion of his/her leave to recover from his/her own illness or disability, and to secure necessary medical or dental care.
 - (b) Illness/Disability - Others
 - (1) Paraprofessionals: Up to five (5) days may be authorized for serious illness or medical care or nursing care arrangements for the immediate family. (Immediate family is defined as spouse, children, parents, grandparents, grandchildren, brothers, sisters, dependents, in-law relations of the same categories.) Additional paid days may be granted upon request of the employee for emergency or unusual needs.
 - (2) Administrative Assistant and Clerical: Serious illness, medical care or nursing care arrangements in the immediate family. (Immediate family is as defined in 1 (b) (1), above.)
 - (3) Custodial/Maintenance: Serious illness, medical or nursing care arrangements, in the immediate family. (Immediate family is as defined in 1 (b) (1), above.)
 - (c) Bereavement
 - (1) Paraprofessionals: The bargaining unit member shall be granted a maximum of five (5) days paid leave per death for immediate family members, which shall be deducted from sick leave. (Immediate family is as defined in 1 (b) (1), above.) Up to five (5) additional paid days may be granted upon request of the employee for emergency or unusual needs.
 - (2) Administrative Assistant, Clerical and Custodial/Maintenance: Use of Section B. accumulated days as needed for death in the immediate family. (Immediate family is as defined in 1 (b) (1), above.)
 - (d) While it will not be necessary for the School District to require a medical certificate for all absences of one (1) to three (3) days in order for an employee to be eligible for sick leave pay, the School District reserves the right to require a medical certificate whenever an employee's pattern of attendance indicates excessive use of sick leave or to determine whether he/she is medically able to return to work or to determine physical fitness for continued service.
2. Illness/Disability/Bereavement days are cumulative according to the following:
 - a. Paraprofessionals—90 days
 - b. Administrative assistant and clerical - 120 days
 - c. Custodial and Maintenance - 120 days

No bargaining unit member employed as of ratification shall forfeit accumulated illness/disability/bereavement days as a result of the above accumulation limits. Excess accumulated days as of ratification will be preserved and “drawn down” if/when the employee’s actual accumulation falls below the employee classification accumulation limit.

- C. Personal Business Leave
1. All ten (10) month employees regularly employed by the Board shall be granted two (2) personal business leave days per year. All twelve (12) month employees and all administrative assistant/clerical employees regularly employed by the Board shall be granted three (3) personal business leave days per year. These days shall be non-accumulative. Personal business leave shall be used for matters which are difficult to transact on the weekend or before or after working hours. Except in case of an emergency, arrangements for personal business leave are to be made at least twenty-four (24) hours in advance with employee's immediate supervisor. Personal business leave will not be charged against sick leave. Unused personal business leave days will be added to the employee's accumulated unused sick leave on July 1.
 2. The day immediately preceding, or the day immediately following a legal holiday or school recess (e.g., Christmas, Memorial Day, etc.) will not be used for a personal business leave day, except in case of an emergency or extenuating circumstances. Arrangement for use of personal leave shall be made in writing using the form included as APPENDIX D. It is understood that the Board may reasonably restrict the number of employees taking personal business leave on any given workday.
- D. **Jury Duty.** Any employee called for jury duty and who was unable to get excused shall be compensated for the difference between his/her regular pay and the pay received for jury duty.
- E. **Reserve/National Guard Duty.** Any employee who is a member of a branch of the Armed Forces Reserve or the National Guard, shall be paid the difference between his/her Reserve pay he/she would have received from the Board during any period when the affected employee is on active duty for the Reserve or National Guard. Except in cases of national emergency, a maximum of two (2) weeks per year shall be allowed.

ARTICLE 21: Unpaid Leaves

- A. General Conditions
1. Leaves of absence without pay for up to one (1) year in duration may be granted upon written request from an employee. The request will include the purpose of the leave, and the proposed beginning and ending dates of the leave. For medical requests, the Board may require a statement from the employee's physician indicating the necessity of the leave. Such leaves may, at the discretion of the Board, be extended upon written request of the employee.
 2. It is understood that the granting of unpaid leaves is the discretion of the Board. Denial of unpaid leave requests by the Board shall not be subject to the grievance procedure, unless the claim is that the Board abused its discretion or acted arbitrarily in denying the requested leave.
 3. An employee returning from a leave of absence of six (6) months or less shall be entitled to return to the assignment they held just prior to the leave of absence. An employee returning from a leave of absence of more than six (6) months shall be reinstated to the first available position for which they are qualified, within their classification. At least two (2) weeks prior to the date a leave is scheduled to expire, an employee shall notify the superintendent or designee of their intent to return to work.
 4. Only continuous employment within the system will be counted for the purpose of accumulating seniority; however, leaves of absence granted for a period of six (6) months or less shall not constitute interruption of continuous service and shall be counted for purposes of seniority. Leaves of absence granted for more than six (6) months, according to this contract, shall not constitute interruption of continuous service, but shall not be counted for purposes of seniority.

5. Except for continuation of twelve (12) weeks of employer-paid medical insurance benefits {such as provided in the Family and Medical Leave Act (FMLA)} for eligible employees, the payment of monthly premiums for the purpose of continued insurance coverage is the responsibility of the employee during an unpaid leave of absence subject to COBRA rules and regulations.
- B. Unpaid leaves of absence may be taken for the following reasons:
1. **Military Leave** — A leave of absence shall be granted to any employee who shall be inducted or shall enlist for military duty in any branch of the armed forces of the United States for the period of one enlistment or induction only, or as may be provided for in applicable State/Federal statutes. Upon return from such leave, an employee shall be placed in the same classification and experience level as he/she would have been had he/she worked in the district during such period. Employees on this leave of absence shall be granted their regular seniority for the term of the leave.
 2. **Parental/Child Care** — A leave of absence may be granted to any employee for the purpose of childcare. Such leave may be extended upon written request of the employee.
- C. Where the leave benefits in this Agreement exceed those in the Family and Medical Leave Act (FMLA), these leave benefits shall apply. Where the benefits in the FMLA exceed the leave benefits in this Agreement, the benefits in the FMLA shall apply. Any alleged Employer violations of the FMLA shall be dealt with under the procedures set up in the FMLA and are not subject to the grievance procedure contained herein.

ARTICLE 22: Savings Clause

Upon written request of either party, the parties shall meet to attempt to agree upon a successor for the provision or application found contrary to law.

This Agreement constitutes the sole and entire existing Agreement between the parties on the subjects addressed herein, and supersedes all prior practices, whether oral or written, and expresses all obligations of, and restrictions imposed upon, the Board and Union on the subjects addressed herein. This Agreement is subject to amendment, alteration or additions, only by a subsequent written agreement between, and executed by, the Board and the Union. Subjects not specifically addressed herein may be addressed in bargaining during the term of this Agreement, upon the mutual agreement of the parties. The waiver of any breach, term or condition of the Agreement by either party shall not constitute a precedent in the future enforcement of all its terms and conditions.

ARTICLE 23: Negotiation Procedure

Paraprofessional Evaluation Form**

These instructions are to be used in conjunction with the Paraprofessional Evaluation Form to assess performance. In Section I and II a five-step scale is used to rate performance by placing an “X” in the appropriate space on the scale beside each item being evaluated. A rating of “Minimally Effective” or below REQUIRES an explanation in writing in the appropriate section of the evaluation. The Supervisor will meet with the employee to discuss ways of improving the employee’s performance, and that failure to improve could result in a rating of unsatisfactory. Section III is the overall evaluation of the employee’s performance over the time span covered and additional comments by the Supervisor. Each individual section allows for specific comments by the Supervisor. Additional pages may be attached when necessary.

The Evaluation Process

An Evaluation is a process whereby staff members are apprised of the quality of their performance.

Description of the form:

The primary purpose of the evaluation form is to encourage positive interaction between the Immediate Supervisor and the employee to realize improvement. To be most effective, it is assumed that the evaluation will occur in the atmosphere of sensitivity, understanding, support, candor and trust by both the Immediate Supervisor and the person being evaluated.

The characteristics listed on each form, though not all inclusive, are intended to stimulate constructive discussion regarding the staff member's performance. They are arranged in (3) categories to provide an organized approach to viewing the staff member's performance.

The categories are: Personal Characteristics, Job Performance and Evaluation Summary.

Place an "X" at the appropriate point on the scale beside each item assessed. A rating of "Minimally Effective" or "Ineffective" indicates that change is needed that area and the Immediate Supervisor and Employee should meet to discuss ways of improving his/her performance. If an employee receives a "Minimally Effective: or "Ineffective" it must be accompanied by a written explanation and specific recommendation for improvement and time line for further re-evaluation.
