## Students

- The calendar for the remainder of 2022 is filling up fast. Everyone is encouraged to visit the district's calendar to locate the dates and times of the high school play "Puffs", the elementary music concerts, the middle school and high school band and choir concerts, and many other important events.

We thank all of our athletes for their sportsmanship, their dedication to a team, and their positive representation of MAS throughout the state.

## Staff

- The full day of professional development on Monday (10-31-22) was very valuable for our teachers. The buildings each had the day to spend on their individual initiatives. I visited each of the buildings during their training, and there were great sessions taking place across the district. This new model also allowed us to have the paraprofessionals in for professional development in the morning. I spoke with several paraprofessionals, and they said that the time was wonderful and very valuable.

## Board

- Below are the unofficial results of the November 8, 2022, School Board election. The vote counts are from the Washtenaw County website and the Monroe County website. The vote counts are currently unofficial, but both counties verified that all votes have been counted.

<b>Candidate</b>	<b>Washtenaw County</b>	<b>Monroe County</b>	<b>Total</b>
George Elder	1265	1023	2288
Sara Meray	1720	952	2672
Murphy Payeur	985	637	1622
Betty Rosen-Leacher	1537	839	2376

Once the results are certified by the Canvass of Electors, the district will contact the two official winners to begin the "acceptance of office" process. It usually takes a few days for the county to certify the results.
