Parents should inform the school of an expected absence by calling the attendance hotline (734-439-5280) and provide an explanation. When leaving a message, please state your name, the student's name, date of the absence, reason for the absence, and the length of the absence. Communicable diseases must be reported.

Notification of Excessive Absenteeism

- 8th Unexcused Absence: Families will be notified of excessive absenteeism by formal letter.
- 15th Unexcused Absence: In addition to a formal letter, families will be referred to the Washtenaw ISD's Education Project for additional support in ensuring good attendance. Additionally, a parent meeting will be scheduled with the building principal or assistant principal to develop a plan for improved attendance.

- 20th Unexcused Absence: A referral will be made to the county truancy officer.

Only absences with appropriate documentation for medical reasons, court dates, funerals, religious observance, military, or homelessness will be excused.

Procedures for Mid-Day Absences

Planned early pick-up with a note: Students should bring the note to the guidance office to receive an early dismissal pass. Upon pick-up parent/guardian, should come to the doorbell with ID to request to pick up their student. The guidance office will confirm identity and release the student to the caregiver.

Unexpected pick-up/Early pick-up without a note: Students will go to class as normal, but the student will not exit class until the parent arrives. Parents/guardians will need to come to the doorbell with ID to request to pick up their student. Parents may call ahead but will still need to come to the doorbell with ID.

For the safety of students and pets, please do not bring pets to school at pick-up time unless they remain in your car. Please no pets on school property during school hours.

*****Anyone picking a student up from school must have a picture ID.**

§1.5 CLOSED CAMPUS

The Board of Education policy states that Milan Middle School operates a closed campus. Students must stay on school grounds from the time they arrive until dismissal. To safeguard the students, students leaving early must be signed out by an adult who is listed on the child's PowerSchool with proof of identity.

§1.6 EMERGENCY SCHOOL CLOSINGS

In case of inclement weather, school may be closed to ensure safety. The Superintendent will send out a message using School Messenger, on social media, and on local news outlets.

§1.7 MMS POLICIES, SERVICES, AND TOOLS

Announcements, Bike Rack, Student Organizations

- Announcements and posters must be approved by the administration.
- A bike rack is available, however, the school cannot be held responsible for your bicycle.
- All school organizations must have the approval of both the administration and a teacher advisor.

Counseling Services

The guidance office is located next to the Librarium and provides a number of services to students. Students may obtain a pass to the guidance office from a teacher and are welcome any time during the school day. Please visit our counselor if:

- you have a social, academic, or personal issue to discuss
- you need to adjust your schedule of classes or would like to investigate career options
- you are ill or injured

Educational Programs

At each grade level, students take the core courses of math, social studies/history, English / Language Arts, a science-based course, and health. A variety of electives are offered to round out the student experience, including STEAM, art, project-based learning, performing arts, and Spanish.

PowerSchool Portal

PowerSchool Parent Portal (<https://ps.milanareaschools.org/public>) is a tool specifically developed for parents and students to access real-time information including attendance, grades, and detailed assignment descriptions. Both parents and students will be given a login name and password.

Grading

Report cards are finalized about a week after the end of trimester one, trimester two, and trimester three. All grades are available through PowerSchool. PowerSchool access information is provided to parents with the registration paperwork. Students' grades are established according to the teachers' professional opinion of your child's work against the content standards. Teachers gain evidence of student learning using a variety of methods. Please don't hesitate to inquire how grades for your student were determined if you are unsure.

Homework

The purpose of homework is to improve the learning process by aiding in the mastery of skills. Homework assignments relate directly to class work and extend the students' learning beyond the classroom. It teaches students to be independent learners and gives them experience in following directions, making judgments, raising additional questions for study, and developing responsibility and self-discipline.

Leave it at Home

The school is not responsible for any items that students choose to bring to school, and students are reminded that it is not the responsibility of school officials to spend time locating missing objects or money. **DO NOT BRING:**

- Large amounts of money
- Electronics, airpods, etc.

Lockers

Students are provided with a locker to protect their belongings. These are assigned to students. Students should:

- Inform the office immediately if their lock or locker is malfunctioning
- Keep their combination private (DO NOT GIVE IT TO OTHER STUDENTS)
- Keep their locker clean, closed, and locked
- Not share lockers with other students
- Not store opened food or beverages in their locker

The lockers are the property of the Milan Area Schools and are subject to inspection at any time, on the authority of the administration of the school.

Lost and Found

Articles found in classrooms and halls are to be turned in to the guidance office to be placed in Lost and Found.

Media Center / Library

Students may access the media center by requesting a pass from a teacher. Books may be checked out to students and should be returned by the due date. The media center hours are 7:30 AM to 2:40 PM. Books that are turned in late may be subject to a fine.

Promotion and Retention

- Retention may occur as needed based on attendance and/or final grades.
- The final decision on retention or promotion of any student rests with the building principal.

Student Health and Medications

All medication, both prescribed and over the counter, must be stored in the guidance office in the original bottle with the prescribing doctor's name and prescribed dosage. Medication may only be given to the student with an authorization form completed and signed by the physician and on file at the school. If there is any change in dosage, written instructions from the doctor's office, signed by the doctor, are required. A specialized form,

available from the office, must be filled out for school personnel to distribute any medication. We cannot supply any drugs, even over the counter types, without a permission form signed by the parent and physician and a supply of the necessary medication.

Telephones

Students may visit either office to make a call home for illness or school related business. If a parent needs to contact their student, then the parent should call 734-439-5209 to have a message delivered to the student.

Visitors

No student visitors are permitted. Parents may visit student areas once approved through ICHAT. All visitors must check in at the main office upon arriving at the school and receive a "visitor's badge" to designate presence in the building.

Section Two: Student Code of Conduct

§2.1 INTRODUCTION

The school and district must balance the interests of the students and the community in a safe and conducive learning environment with its duty to provide educational services to students who engage in misconduct or behaviors that interfere with the safety and delivery of educational services. Board of Education policies addressing student misconduct and this Student Code of Conduct are intended to strike that balance. However, these documents do not limit the Milan Middle School's lawful authority. All students and parents are expected to sign and return a copy of the attached *Student Code of Conduct Acknowledgement of Receipt*.

§2.2 ELASTIC CLAUSE

Administration reserves the right to amend any provision in this handbook that s/he deems to be in the best interest of the educational process. Further, administration retains the right to issue penalties for acts of discipline not specifically stated herein and to alter any penalties, as necessary.

§2.3 INTERSCHOLASTIC AND EXTRACURRICULAR ATHLETICS

All aspects of athletics are handled by Milan Area Schools Athletic Department. Student athletes are subject to the Student Code of Conduct at all times, as well as the disciplinary rules that govern participants who represent the School District as members of an athletic team. The Milan Area Schools Athletic Department eligibility policy at Milan Middle School requires that students have passed at least 50% of a full-time student's course load in the previous semester and be passing the same number in the current semester.

The MMS Athletic Department will have grade checks every Friday beginning three weeks after the start of the semester. The Athletic Department will confirm grades in PowerSchool. An email will be sent to the head coach of the team if an athlete is deemed ineligible. The coach is responsible for notifying the student-athlete with a private conversation within a reasonable time frame. That athlete shall remain ineligible for the entirety of the following week, Monday - Sunday. The athlete may practice with the team, but shall NOT compete in any games or scrimmages. If an athlete feels their academic eligibility status is not accurate, they should talk to their teacher in the class where they are failing to get the grade corrected, then notify their head coach and athletic director.

§2.4 TRANSPORTATION

The Milan Area Schools transportation system provides bus service for students who qualify. The qualifications are set by the Department of Education. Students who use this transportation are expected to abide by the rules set by the supervisor. Any infringement could mean the loss of the privilege. Students are not allowed to ride a bus other than their own except in the case of a family emergency. **Arrangements to ride a different school bus must be made through the transportation department at least one day prior to the bus change.** All questions concerning bus transportation should be directed to the transportation department (734-439-5900).

§2.5 SCHOOL EXPECTATIONS AND PBIS

When students do not meet the basic expectations at MMS, those expectations are reinforced through conversations.

- **Signatures:** Any time there is a disciplinary infraction, as defined by the behavior matrix, a staff member will have a conversation with the student regarding school expectations and will record a signature in the student's planner. Should the student earn five infractions in one trimester, the student will receive a phone call home. After ten infractions, the student will receive an additional phone call home and an office referral, which may result in office consequences.
- **Referrals:** If there is a disciplinary infraction that is disruptive to the learning environment, the student will be escorted out of class and will engage in a conversation with the guidance counselor, principal, or assistant principal. Progressive discipline will be used to ensure students meet expectations.

§2.6 STUDENT DRESS AND APPEARANCE

The style and manner in which a student dresses while attending school and school-related functions is largely the responsibility of the student and the student's parents. Milan Area Schools, however, maintains the right to impose reasonable restrictions on dress and grooming, where the style of dress or grooming is reasonably considered disruptive or detrimental to the District's mission and/or the health, safety, or welfare of the student. As general guidelines, the administration requires that students wear footwear and clothing which upholds the school norms of respect, responsibility, and safety including cleanliness, decency, and age appropriateness. Clothing at school should represent a readiness to learn. It should not promote sleep, should not attract individual attention, and should not be detrimental to learning. The following is prohibited:

- Overly tight or overly loose clothing that reveals the body (including pajamas, gym wear)
- Tops which reveal the body due to length, sleeves, or cut (ie: muscle tanks, spaghetti straps, crop tops)
- Bottoms which reveal the body due to length or fit (ie: sagging or very short)
- Emblems/insignia that represent inappropriate themes for school as determined by administration

§2.7 POLICE INVESTIGATIONS / ARRESTS

Milan Area Schools cooperates with local police authorities in the interest of the welfare of all citizens and the school community. Parents will be notified if police wish to question their student in school or arrest occurs. The timing of parental notification will depend on the circumstances, taken as a whole. Except as required by law, the Milan Middle School retains discretion to report crimes/events, including, but not limited to the following:

- Arson;
- Assault;
- Burglary, theft, robbery, larceny;
- Dangerous substances that would threaten the health or safety of staff and students;
- False alarms;
- Fighting or physical violence;
- Gambling;
- Harassment;
- Illegal drug use, overdose, possession, or sale;
- Incendiary devices;
- Possession of weapons, look-alike weapons, or other dangerous objects
- Theft or extortion;
- Threats of violence;
- Vandalism

§2.8 SEARCH AND SEIZURE

Each year, school property such as lockers, desks, and technological devices are assigned to students. Students do not acquire a reasonable expectation of privacy in such property. Milan Area Schools reserves the unrestricted right to search and seize property assigned to a student at any time, for any reason, with or without notice to the student or student's parents. The privacy rights of students will be respected regarding any items found during a search, assuming those items are not illegal or otherwise against school policy or administrative regulations.

Milan Middle School personnel may, to the full extent permitted by law, search and seize students and their personal effects. Illegal items and items appropriate in the educational environment may be confiscated by MMS personnel and, when appropriate, be delivered to police authorities or parents.

§2.9 BULLYING AND CYBERBULLYING

Bullying or other aggressive behavior toward a student, whether by other students, staff, or third parties, including Board members, parents, guests, contractors, vendors, and volunteers, is strictly prohibited. This prohibition includes written, physical, verbal, and psychological abuse, including hazing, gestures, comments, threats, or actions to a student, which cause or threaten to cause bodily harm, reasonable fear for personal safety or personal degradation.

Implementation. The building principal is responsible for implementing this policy in their designated school building.

Definitions. The following definitions apply for purposes of this administrative regulation and its corresponding policy:

"Aggressive behavior" is defined as inappropriate conduct that is repeated enough, or serious enough, to negatively impact a student's educational, physical, or emotional well-being. Such behavior includes, for example, bullying, hazing, stalking, intimidation, menacing, coercion, name-calling, taunting, making threats, and hitting/pushing/shoving.

"At School" is defined as a classroom, elsewhere on school premises, on a school bus or other school-related vehicle, or at a school-sponsored activity or event whether or not it is held on school premises. It also includes conduct using a telecommunications access device or telecommunications service provider that occurs off school premises if either owned by or under control of the District.

"Bullying" is defined as any written, verbal, or physical acts, including cyberbullying (i.e. any electronic communication, including, but not limited to electronically transmitted acts, such as Internet, telephone, or cell phone, personal digital assistant (PDA), or wireless handheld device) that, without regard to its subject matter or motivating animus, is intended or that a reasonable person would know is likely to harm one (1) or more students either directly or indirectly by doing any of the following:

- A. substantially interfering with educational opportunities, benefits, or programs of one (1) or more students;
- B. adversely affecting the ability of a student to participate in or benefit from the school district's educational programs or activities by placing the student in reasonable fear of physical harm or by causing substantial emotional distress;
- C. having an actual and substantial detrimental effect on a student's physical or mental health; and/or
- D. causing substantial disruption in, or substantial interference with, the orderly operation of the school.

Bullying can be physical, verbal, psychological, or a combination of all three.

Any student who believes s/he has been or is the victim of bullying, hazing, or other aggressive behavior should immediately report the situation to the principal or assistant principal. The student may also report concerns to a teacher or counselor who will be responsible for notifying the appropriate administrator or board official. Complaints against a building principal should be filed with the superintendent. Complaints against the superintendent should be filed with the board president.

Procedure. Any student who believes s/he has been or is the victim of bullying, hazing, or other aggressive behavior should immediately report the situation to the Principal or Assistant Principal. The student may also report concerns to a teacher or counselor who will be responsible for notifying the appropriate administrator or Board official. Complaints against the building principal should be filed with the Superintendent. Complaints against the Superintendent should be filed with the Board President.

Non-Retaliation/False Reports. Retaliation or false allegations against any person who reports, is thought to have reported, files a complaint, participates in an investigation or inquiry concerning allegations of bullying or aggressive behavior (as a witness or otherwise), or is the target of the bullying or aggressive behavior being investigated, is prohibited and will not be tolerated. Such retaliation shall be considered a serious violation of Board policy, independent of whether a complaint of bullying is substantiated. Suspected retaliation should be reported in the same manner as bullying/aggressive behavior.

A complete copy of Milan Area Schools' Board Policy 5517.01 is available in the main office and at www.milanareaschools.org/page/79

§2.10 INTRODUCTION TO DISCIPLINARY ACTIONS AND PROHIBITED ACTS

This Student Code of Conduct balances Milan Area Schools' obligation to maintain safety and a conducive educational environment with the obligation to teach appropriate behavior to students who engage in misconduct and appropriate behavior.

The Student Code of Conduct establishes the rules governing the most serious and obvious types of student misconduct. The prohibited acts listed in this Student Code of Conduct are not to be considered as an all-inclusive list or as a limitation upon the authority of school officials to deal appropriately with violations of the school's individual rules and regulations, or other types of conduct which interfere with the good order of the school, the proper functioning of the educational process, or the health and safety of the students.

Range of Discipline

Each prohibited act listed in the Student Code of Conduct references the discipline which may be imposed for a violation. MMS will also consider restorative practices as an addition or alternative to discipline. The discipline for violating some prohibited acts ranges from suspension to expulsion. For violation of the most serious prohibited acts, the penalty is expulsion. In cases where the stated penalty is not expulsion but is set forth in terms of a range, the actual penalty imposed will depend upon the student's prior behavioral record, the persistent and/or chronic nature of the misconduct, the recommendation of school personnel, and all other circumstances deemed relevant.

A student violating any of the prohibited acts listed in this Student Code of Conduct will be disciplined in accordance with the Code of Conduct. Additionally, a student who engages in a prohibited act which violates law may be referred to the appropriate police authority.

The prohibited acts and penalties listed below are applicable when a student:

- Engages in a prohibited act on school property;
- Engages in a prohibited act in a motor vehicle, including one being used for a school-related purpose;
- Engages in a prohibited act at a school-related activity, function, or event;

- Engages in a prohibited act en route to or from school;
- Engages in a prohibited act involving another student who is en route to or from school;
- Engages in a prohibited act off school premises, which act is either prohibited by law or, in the judgment of the building administrator, is of such seriousness that the student's continued attendance in school would present a danger to the health and safety of students or employees, and/or would substantially interfere with the proper functioning of the educational process; or
- Engages in a prohibited act when the student was not enrolled in Milan Area Schools or was enrolled in another school district, if the act of misconduct would constitute a sufficient basis for suspension or expulsion had it occurred while the student was attending school in Milan Area Schools.

§2.11 PRESUMPTION AGAINST LONG-TERM SUSPENSION OR EXPULSION AND CONSIDERATION OF INDIVIDUAL FACTORS

Rebuttable Presumption

Consistent with Michigan law, Milan Area Schools adopts a rebuttable presumption that students should not be disciplined by the imposition of long-term suspension (i.e., more than 10 school days) or expelled (i.e., 60 or more school days) unless Milan Area Schools has determined, in its sole discretion, the presumption has been rebutted by considering each of the following seven factors:

- The student's age;
- The student's disciplinary history;
- Whether the student is disabled within the meaning of IDEA or ADA/Section 504;
- The seriousness of the student's misconduct or behavior;
- Whether the student's misconduct or behavior threatened the safety of any pupil or staff member;
- Whether restorative practices will be used to address the student's misconduct or behavior; and
- Whether less severe discipline would properly address the student's misconduct or behavior.

This rebuttable presumption does not apply to short-term suspensions (i.e., less than 10 school days or fewer) or to a student who possesses a firearm in a weapons free school zone.

Restorative Practices

Consistent with Michigan law and in every case, Milan Middle School will consider restorative practices as an addition or alternative to suspension or expulsion. Restorative practices are "practices that emphasize repairing the harm to the victim and the school community caused by a pupil's misconduct" as determined by the restorative practices team (MI Revised School Code, Section 380.1310c).

§2.12 DEFINITIONS OF DISCIPLINE

Unless otherwise specified, the penalties for all prohibited acts range from administrative intervention to permanent expulsion, depending on the number of factors, including: the severity of the conduct, the impact of the conduct on the school and surrounding community; applicable Board of Education policies; and state and federal laws.

Administrative Intervention

Disciplinary action which does not result in an out-of-school suspension and which includes, but is not limited to, restorative practices. Administrative intervention may include the removal of a student from a class period, in-school suspension, a reprimand, restitution, detention and/or work assignment before or after school, additional classroom assignments, and revocation of the privilege of attending after school functions and activities, events, etc.

Snap Suspension

If, during a class, subject, or activity, a teacher has good reason to believe: a student engaged in conduct which unquestionably interferes with the education of that student or other students, or a student has engaged in conduct which poses a clear and present danger to that student or other students, the teacher may suspend the student from that class, subject, or activity for up to one full school day.

Suspension

Exclusion of a student from school for fewer than 60 school days.

In-School Suspension (ISS)

As determined by the principal or assistant principal, a student may be required to serve an “in-school suspension.” A student assigned in-school-suspension will spend the designated time in an alternative location with work assigned from the classroom teacher and/or the administration. Students may also be assigned restorative practices including community service and conflict resolution meetings. Students are not permitted to attend extracurricular activities during the suspension period.

Out-of-School Suspension (OSS)

As determined by the principal or assistant principal, a student may be required to serve an “out-of-school suspension.” A student assigned out-of-school suspension will not be permitted on school property or to attend extracurricular activities during the designated suspension time. Schoolwork will continue to be assigned to the student, and students would be wise to complete this work during their suspension period. Students may also be assigned restorative practices including community service and conflict resolution meetings upon their return.

Expulsion: Exclusion of the student from Milan Area Schools for 60 school days or more or permanent exclusion.

§2.13 PROHIBITED ACTS

Unless otherwise specified, the penalties for all prohibited acts range from administrative intervention to permanent expulsion, depending on the number of factors, including: the severity of the conduct, the impact of the conduct on the school and surrounding community; applicable Board of Education policies; and state and federal laws. Items denoted with a * indicates authorities may be contacted.

Arson*

A student shall not burn or attempt to burn any tangible property or intentionally set a fire on school property or cause or attempt to cause an explosion on school property. Arson is prohibited by law, MCL 750.71 - MCL750.80.

Bullying and Hazing and Other Aggressive Behaviors*

Students are prohibited from engaging in conduct, whether written, verbal, or physical, that unreasonably interferes with another’s participation in or enjoyment at school or school-related activities, such as bullying, cyberbullying, or hazing. The Board of Education has adopted a policy on bullying as a part of Policy 5517.01.

“Hazing,” for the purpose of this Student Code of Conduct, means initiating another student into any grade, school, or school-related activity by any means or methods that may cause physical or emotional pain, embarrassment, or discomfort.

Category I Substance*

A student shall not manufacture, sell, handle, possess, use, deliver, transmit, or be under any degree of influence (legal intoxication not required) of any alcoholic beverages, marijuana, or other intoxicant of any kind including but not limited to hallucinogens, stimulants, depressants, narcotics, steroids, look-alike substances, over the counter controlled/uncontrolled, and/or legal/illegal drugs. A student shall not sell or represent a legal substance as an illegal or controlled substance or sell, manufacture, possess, use, deliver, or transfer “designer” drugs.

Category II Substance*
